4. Data Retention & Security

Nova Voice is strictly intended for users who are at least 13 years of age (or the legal minimum age in your jurisdiction) to comply with COPPA regulations. We do not knowingly collect or solicit personal information from children under 13.

Authorized moderators may review voice data within the platform for moderation purposes, but are strictly prohibited from exporting or uploading this data off-site.

If we discover that we have inadvertently collected personal data from a child under 13 without verifiable parental consent, we will take immediate action to terminate the account and delete associated data.

6. Educational (Edu) Accounts

For specialized Edu Accounts managed by educators, student data collected within designated classroom environments is processed strictly for educational purposes and subjected to heightened privacy standards. Edu account data is never used for commercial profiling.
